## SNLM VISION CASTING

**WITH OUR  
Executive  
Director  
Martha Beroud**

Martha Beroud, E.D.

**Greetings from South Niagara Life Ministries**  
*Please note* this bulletin is being generated in place of our usual 1<sup>st</sup> Quarter Newsletter. This, to compensate for an unavoidable late start; with much happening in both our caseloads and personal lives. As a result, all are welcome to tune in online, **March 31<sup>st</sup>**, for **SNLM's Spring Benefit & Match Challenge**, and news updates.

*Our past fall banquet program* (named as one of our best ever) again initiated ample requests for services, and 3 who shared will again share their testimonies in this online initiative. All 3, today, are serving others *for having taken in "the water of life without price"*  
—(Rev 22:17b).

*Online venues* certainly bring greater awareness to SNLM's availability, mission, and reaching those in need. SNLM initiatives are a great way to introduce others, for the first time, to use SNLMs free counsel services, programs, and/or to support financially. We have a goal of \$50,000 this first quarter—that needs help—and the aid of a \$10,000 match incentive. *Please tune in on March 31<sup>st</sup>* and prayerfully consider, , and share our short video. *Thank you, and may the Lord bless you.*
