

Martha Beroud
Director
South Niagara Life Centre
143 Gilmore Road
Fort Erie, ON L2A2L9

Dear Martha,

The Job Gym in Fort Erie is pleased to acknowledge the important role that the South Niagara Life Centre plays in the Fort Erie Community.

For the last 5 years, the South Niagara Life Centre has consistently provided excellent counseling services to the many clients that the Job Gym in Fort Erie has referred to your organization. Your organization's dedication and professionalism is well known in our community.

The counseling services that the South Niagara Life Centre provides often fall outside of the Job Gym's funding mandate. As such, we depend on your organization to deliver these counseling supports, which are greatly needed by our clients, in a timely, professional and caring manner.

Clients who have been referred to your organization have reported a high level of satisfaction with the service they have received from your caring and knowledgeable team. This feedback is the best confirmation that your partnership with the Job Gym is critical to the success of the clients and community we serve.

Please contact me directly if I can provide any additional information, or to discuss ideas for building on this vital referral partnership.

Best regards,

Julie Morrison
Program Manager
