On behalf of the Town of Fort Erie I wish to extend congratulations to South Niagara Life Ministries for the past 25 years you have been providing counselling and resources through donor partnerships and community support to area families and individuals, to those in distress and in need of a timely help.

You have provided compassion, respect and trust to all walks of life from Canada and the United States while upholding a professional standard of care and code of ethics, with a non-judgmental approach. You instill hope.

May you continue by providing your service to those in need for many years to come.

Yours very truly,
