**Tribute to Donna Beckett** Donna spearheaded a vision that's passed on to so many throughout Niagara. 20 years ago this, past July, I met Donna in her office, for the first time. I heard about her calling to found a centre (that became a network) of services to those facing an unplanned pregnancy, her vision, and some facts, i.e. some 60 calls a month (from southern Niagara) not being serviced, back then. Since that first meeting, I've found Donna inspiring, fun, remarkable in spirit, and a tower of faith. She inspires me still today - still serving others - though retired. For SNLM's 20<sup>th</sup> year anniversary, in recognition of the vision she imparted at SNLM's start, it is a privilege to have Donna as our guest, in tribute - **October 26<sup>th</sup>**. **You are all welcome to join us** for dinner (by calling 905-871-0236 to RSVP). Please join us to say hello (and to our Board, also who have stepped out in faith as SNLM, Inc.'s founding fathers). Cordially - **M. Beroud**
