November 2012

Dear Friends,

As Chairman of the Board, it is my privilege to greet you, not only as part of South Niagara Life Centre Ministries constituency, but as part of our family in Christ. SNLM has just celebrated 20 years of service, and is now entering a new era of growth and development; with thanks to God and a good many of you.

Services remain cost free, and people with multiple needs count on us to be ready available - as do over 30 regional referral sources. Help is offered indiscriminately to all people in crisis and distress, of any age and background. By word of mouth, requests come in from throughout the Niagara region, and as far away as Barrie, Toronto, Mississauga, London, Hamilton and the U.S. These mark a small tribute to the effectiveness of our joint efforts in helping people resolve life issues, crisis, and problems. Your hand to help is encouraged, alongside ours, to meet these urgent requests, and ultimately save lives.

We, are seeking major partnership contributions, annual or monthly commitments, and the means of sustainable funding for underwriting services both today; and with an eye to the future for the next 20+ years.

Currently, I understand we have an immediate need for \$25,000.00 - in what remains of this calendar year - to meet budget. I am appealing to you for a special year-end gift (*though there is always the option, of course, to underwrite the full amount*).

Will you make it a matter of prayer, as to what assistance you might contribute, by way of a gracious yearend gift and/or 2013 commitment. All gifts are welcome in adding to the whole, toward retiring this need, *and* for ensuring a solid start in 2013 from a position of strength.

Thank you.

Yours, in His service,

Ronald F. Gray
